Words and music by Raffi

Oh the sun does shine, and the moon does glow  
The rain does fall, the winds do blow  
And the seasons turn, the birds do sing  
That's the way it goes

Oh love does shine, and the children glow  
The puppies play, and the cats meow  
And the seeds do sprout and foods do grow  
That's the way it goes

Uh huh, (clap clap) uh huh, (clap clap)  
That's the way it goes  
Uh huh, (clap clap) uh huh, (clap clap)  
That's the way it goes

Oh the sun does shine, and the moon does glow  
The rain does fall, the winds do blow  
And the seasons turn, the birds do sing  
That's the way it goes

# Luna's Song

Four little paws soft and white  
Four little paws soft and white  
Four little paws soft and white  
Luna is her name.

Cute little curly waggly tail  
Cute little curly waggly tail  
Cute little curly waggly tail  
Luna is her name.

Luna, Luna, Luna Luna Lu  
Luna, Luna, Luna is her name.  
How she loves to jump and run, jump and run, jump and run  
How she loves to jump and run, Luna is her name.

Black and gray with tufts of gold,  
Black and gray with tufts of gold  
Black and gray with tufts of gold  
Luna is her name

Luna, Luna, Luna Luna Lu  
Luna, Luna, Luna is her name.  
Big brown eyes look my way, look my way, look my way  
Big brown eyes look my way, Luna is her name

Four little paws soft and white  
Four little paws soft and white  
Four little paws soft and white  
Luna is her name.

# Play Play Play

Words and music by Raffi

I just want to play all day, I just want to play  
I just want to play all day, play play play

Play in the morning, and in the afternoon...  
Rain or shine, play again real soon

I just want to sing a song, I just want to sing  
I just want to sing a song, sing sing sing

*instrumental*

I just want to dance around, I just want to dance  
I just want to dance around, dance dance dance.

In the morning, and in the afternoon...  
Rain or shine, play again real soon

I just want to play all day, I just want to play  
I just want to play all day, play play play

# **Listen To The Horses**

Words and music by David Eddelman  
From Silver Burdett Music, Early Childhood  
© 1976 Silver Burdett Company

Listen to the horses clipping clopping  
Hoofbeats everywhere never stopping  
Gonna ride my palomino, ride him to the fair

Gonna ride my palomino, ride him to the fair

# Mary Had A Little Lamb

Traditional, adapted by Raffi

Mary had a little lamb,  
little lamb, little lamb  
Mary had a little lamb,  
Its fleece was white as snow

And everywhere that Mary went  
Mary went, Mary went  
Everywhere that Mary went  
The lamb was sure to go.

Followed her to school one day,  
School one day, school one day  
Followed her to school one day  
Which was against the rules.

Made the children laugh and play  
Laugh and play, laugh and play  
Made the children laugh and play  
To see the lamb at school.

Mary had a little lamb,  
little lamb, little lamb  
Mary had a little lamb,  
Its fleece was white as snow

# Walkin' My Dog

Words and music by Raffi

Well I wake up in the morning, think about walking my dog  
I wake up in the morning, thinking about walking my dog  
When the evening comes, still thinking 'bout walking my dog

She wakes up in the morning, thinks about walking her dad  
She wakes up in the morning, thinks about walking her dad  
When the evening comes she's still thinking 'bout walking her dad

We go outside, down the street, into the park, it's so sweet  
Walkin' with my honey, yeah, walkin' my dog  
She sniffs around, moves her feet, wags her tail, looks so sweet  
Walkin' my dog, yeah, walking my dog

Well I wake up in the morning, think about walking my dog  
I wake up in the morning, thinking about walking my dog  
When the evening comes, still thinking 'bout walking my dog

# Market Day

Words and music by Raffi

*chorus*

On market day, market day

Folks are out to work and play

On market day, market day

Hooray for market day

Early in the morning

The farmers come to town

With foods they've grown to sell

By the box and by the pound

They tend their stalls, make them nice

For those who wait in line

And families soon gather round

To see what they can find

Arts and crafts on display

Rainbow colours shine

Buskers play and children sing

There's laughter all around

The best of homemade goodies

And treats to make you smile

Fun with friends and neighbours

Enjoying all the while

# Here Comes The Sun

Words and music by George Harrison

Here comes the sun, here comes the sun  
And I say it's all right

Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here  
Here comes the sun, here comes the sun  
And I say it's all right

Little darling, the smiles returning to the faces  
Little darling, it seems like years since it's been here  
Here comes the sun, here comes the sun  
And I say it's all right

Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear

Here comes the sun, here comes the sun  
And I say,  
It's all right  
It's all right .

# Dragonfly

Words and music by Raffi  
@ 2017 Homeland Publishing

Dragonfly, dragonfly  
Flying low and flying high  
Light as a feather in the sky  
Lovely dragonfly

Dragonfly, dragonfly  
Swoop so low and swoop so high  
Light as a feather flying by  
Lovely dragonfly

Wings of beauty, beauty bright  
Silky shiny full of light  
Quite the sight you are in flight  
Lovely dragonfly

Dragonfly, dragonfly  
Flying low and flying high  
Light as a feather in the sky  
Lovely dragonfly

# Love Grows Love

Words and music by Raffi  
©2017 Homeland Publishing

Everybody knows what i'm talking about  
Everybody knows it's true.  
Love grows brains,  
and love grows hearts

Everybody knows what i'm talking about  
Everybody knows it's true  
Love grows brains, and love grows hearts  
Love grows me and you.

## *chorus*

Love grows brains, love grows hearts  
And all in between  
Love grows a million billion smiles  
Love grows you and me.

Love grows brains, love grows hearts  
Pups and kittens too  
Love grows a million billion smiles  
Love grows me and you.  
Love grows brains, love grows hearts,  
Love infinite love  
Love grows love, love grows love,

A zillion smiles of love.

## **Dog On The Floor**

From Bill Russell's song "Spider On The Floor",  
adapted by Raffi, ©2018 Homeland Publishing

There's a dog on the floor on the floor  
There's a dog on the floor on the floor  
She's just inside the door  
This puppy on the floor  
There's a dog on the floor on the floor

There's a dog on the couch on the couch  
There's a dog on the couch on the couch  
Oh she's really not a slouch  
This puppy on the couch  
There's a dog on the couch, on the couch.

There's a dog on the bed on the bed  
There's a dog on the bed on the bed  
Oh I hope that she is fed  
This puppy on the bed  
There's a dog on the bed, on the bed.

There's a dog in my dreams in my dreams  
There's a dog in my dreams in my dreams  
There's a four legged dog  
This dog is not a frog  
There's a dog in my dreams in my dreams

There's a dog on the floor on the floor  
There's a dog on the floor on the floor  
She's just inside the door  
This puppy on the floor  
There's a dog on the floor on the floor

# Rainbow

Words and music by Raffi  
©2017 Homeland Publishing

I've been working on the railroad, all the livelong day  
When will my rainbow find me,  
I've been searching for the sunshine on a rainy day  
When will my rainbow come my way.

Sun and clouds arching east and west,  
Rainbow magic colouring the rest.

I've been working on the railroad, all the livelong day  
When will my rainbow find me,  
I've been searching for the sunshine on a rainy day,  
When will my rainbow come my way.

# Take A Breath (The Self-reg Song)

Words & music by Raffi  
©2016 Homeland Publishing

key of C  
guitar & uke chords:  
F G C Am / C F / F G C Am / C G C

When I'm not doing fine, I keep this in mind  
I can take a breathe or two,  
When I want to feel well, I can be still,  
I can take a breathe or two.  
Breathing in... breathing out...  
Breathing in... breathing out...  
When I'm sitting still, I can be fine,  
Breathing in and out. (in breath, out breath.)

When I'm not doing fine, keep this in mind,  
I can sing a song or two.  
When I want to be well, I can be still,  
Hum and sing a song or two.  
La da da... hmm hmm hm.

When I'm not doing fine, I'll keep this in mind,  
I can move my arms around.  
When I want to be well, I can be still &  
I can move my arms around.

To change how I feel, I keep this in mind:  
I can take a breath, I can hum a song,  
I can move my arms and feel alright.  
(in breath, out breath.)

# IT TAKES A VILLAGE

Words and music by Raffi

© 1999 Homeland Publishing

1. what does it take, for a baby girl to grow up good and strong?  
what does it take, for a baby girl?  
what does it take, for a baby boy to grow up full of love?  
what does it take, for a baby boy?

*chorus 1:* it takes a village / it takes a village to raise...

it takes a village to raise a child

it takes a village / no one can do it alone

it takes a village to raise a child

2. and in the early years of life  
what does a newborn need to be whole, to thrive in every way?  
in these crucial early years, when the brain is growing  
and the love for a lifetime takes hold

*chorus 2:* it takes a village / it takes a village to raise...

takes a village to raise a child

it takes a village / no one can do it alone

it takes a village to raise a child

*bridge:*

not just . . . parents' love, not just . . . love of the family

it takes all of this and more

not just . . . teachers who care, not just the care of doctors,

it takes all of this and more

how about, the love of the farmers / how bout, the business people

how about the people who pass the laws . . .

how about the corner grocer / how about the next-door neighbour

it takes all of this and more . . .

*chorus 3:* it takes a village / it takes a village to raise...

it takes a village to raise a child

it takes a village / no one can do it alone

it takes a village to raise a child

*chorus 4:* it takes a village / it takes a village to raise...

it takes a village to raise a child

it takes a village / no one can do it alone

it takes a village to raise a child
