1.  
VIBRANT DEMOCRACY — everywhere engaged  
OUR HEALTH & OUR LIBERTY — top priority  
A NEW GLOBAL CURRENCY — of love and caring  
TREADING LIGHTLY ON THE LAND — oh yes we can

— *chorus* —

2.  
TRUSTING ECOLOGY — to give us what we need  
SWEET BIOMIMICRY— learning from nature  
BIONEERING AS WE GO — bold innovations  
LOCAL AS CAN BE — oh yes we can
