2. And if I were a spaceship, ip, ip, ip, ip, ip,  
 I would take a long trip, rip, rip, rip, rip, rip.  
 I would circle the planets and head for the stars,  
 And then I'd come home 'cause I love ya.  
 Ya, ya, ya, ya, ya, ya, ya, ya, ya, ya.

And if I were a daisy, zee, zee, zee, zee, zee.  
 Oh, you'd still be my baby, by, by, by, by, by.  
 I would pull all my petals out one at a time,  
 And always come up with I love ya.  
 Ya, ya, ya, ya, ya, ya, ya, ya, ya, ya.
