Walk, Walk, Walk
Words and music by Raffi

Moderately bright, with a beat

1. I've just had my orange juice. I'm putting on my walking shoes. I'm heading out that old front door. I'm gonna
walk, walk to school. I'm gonna walk, walk, walk,
walk to school. I'm gonna walk, walk, walk, walk to school. See me
walk, walk, walk, walk-in' on down to school.
2. Well, I
put one foot in front of the other. Take one step and then another. That's
how I walk,
That's how I walk,
See me walk, walk, walk,
walk-in' all 'round the town.

I'm gonna take my baseball glove,
I'm gonna take my skipping rope.
I'm gonna call some friends I know, we're gonna
walk, walk to the park. We’re gonna walk, walk, walk,
w walk, walk. We’re gonna walk, walk, walk, walk.
walk, walk, walk, walk, in' on down to the park. Well, it's
one o’clock, two o’clock, three o’clock walk,
Four o’clock, five o’clock
six o’clock walk, Seven o’clock, eight o’clock, nine o’clock walk. We’re gonna walk around the block tonight. We’re gonna walk, walk, walk. We’re gonna walk, walk, walk. We’re gonna walk, walk, walk, walk, walk. We’re gonna walk, walk, walk, walk, walk, walk, walk, walk, walk, walk. We’re gonna walk, walk, walk, walk, walk, walk, walk, walk, walk, walk.

walk, walk, walk, walk-in’ all ’round the town. (spoken): Yeah!
