home,    It's where we live._

F       Bb         F/A
1. We can feel the power of the noon day
2. We can feel the spirit of a blowing
sun, wind,

A blazing ball of fire up above.

A mighty source of power in our lives.

Shining light and warm enough for every one,

Offering an other way to fill our needs,

A gift to every nation from a star.

Nature's gift to help us carry on.
big beautiful planet in the sky, It's my home,
it's where I live.

You and many others live here too, The earth is our home,
It's where we live._ Oh, a
